Campus Advisory Sub-Committee (CASC)

Terms of Reference

The Campus Advisory Sub-Committee is a sub-committee of the Campus Planning and Development Committee. Its general terms of reference are to advise the Campus Planning and Development Committee on the effective use of the campus and on the facilities provided. The matters on which the Committee could be expected to advise include matters of siting, design and landscape planning, pathways, lighting, security, conflict between pedestrians, motor vehicles and bicycles, access for the disabled, implementation of parking policy, control of vandalism and graffiti and levels of maintenance.

The Chair of the Campus Advisory Sub-Committee attends Campus Planning and Development Committee meetings to provide a vital link between the two Committees.
